Attention Alabama Rescue Squads and Members:

As historians for the AARS, we are working on updating the records. We are asking for your help by submitting pictures. At conference, we are going to have a slideshow continuously running of the pictures that are submitted. These pictures can include quarterly meetings, conference, training, or squad's functions.

When submitting pictures, we are asking for each squad to send a maximum of 20 pictures per year. These pictures can be submitted by e-mail, [rvrs2015@gmail.com](mailto:rvrs2015@gmail.com), mail, 5684 County Road 78 Pisgah, Al 35765, or you can turn them in at conference. When mailed or turned in please have them digitized, so this will be a faster process. We also need to know who is in the picture, what year the picture was taken, and please include the squad name with the pictures. If you turn pictures in at conference, we cannot promise they will be included in this year's slideshow. This will be an on-going process that we hope to keep going for years to come.

We are also needing each squad to e-mail us a list if they have had any members that has received the Wendall Price Award, GB Casey, Citizen of the Year, Glenn Paris Award, and Rescuer of the Quarter. Please include the year with each name.

Thanks,

Jason, Jana, and Bre Heard
