FROM THE DESKS OF THE EXECUTIVE BOARD

From the Desk of the President

Wow!!!!!! Where do I start, have so much to share and discuss and have been working on this letter since the end of June. So I may not accomplish everything, but we are gonna try.

First, I have to start with the sad news of one of our member's tragically dying way to early in life. Our thoughts and prayers are and have been extended to the Morgan County Rescue Squad and the family of Tyler Whitt. Tyler was a young energetic member and officer that will be missed.

As many are aware, Etowah County Rescue Squad is still under the microscope of scrutiny and validity. I have to commend them on their determination and resilience to stay focused on complying with what has been asked of them and going above and beyond. The Association officers support their efforts, but unfortunately as in many cases over the years, we cannot get involved in local politics. We are here to give you advice and support. Where this sounds directed to Etowah County, it is just actually to all squads, now is the time to shore up policies and procedures, find your Articles of Incorporation, review By-Laws, find, secure, and if possible make digital copies of all minutes of meetings. Whenever I am addressed with problems and concerns, I cannot tell you the conversation always comes to we cannot find a lot of the documents.

With that, be watching for some of the things that Chad is putting together for conference as well as other very good information that your conference committee is working on. Chad has worked very hard on reorganizing the format of our conference training. He is trying to get very pertinent classes that will only help you in some of our trying times.

Again, Debbie has asked me to remind all squads to get the new VFIS form in. Another critical request we need. Midyear renewals should be a good time for you to review and submit this request.

I am excited to let all squads know that we got notification from the State Revenue office on ACT 2015-208 for our Ad Val Checkoff. So the officers will be presenting to the Board of Directors our plans for collection and disbursement.

Now I would like to take this avenue to express the Randolph County Rescue Squad's gratitude for all the agencies response with personnel, equipment, resources, and advise on our continued mission on Lake Wedowee from 7.13.15 and still continuing as I write this letter. I continue to total up agencies and now begin working on man hours and equipment hours, we have had 23 various agencies involved in this mission. If there is a resource that we have not utilized other than a psychic and I even asked if somebody knew one, all the ones I knew were dead. We are so blessed to have such a strong organization. I am proud to be a small part of it. My squad unfortunately has to endure my wrath as being the President and it really puts some pressure on the officers to be able to be Incident Commander of the missions and then everyone contacting me to help and gather input. But they do it admirably because they are in it, just like all the other squads..... They are in it for all the right reasons. To help and serve those that call for our services.

See you in Brewton.....
God Bless

Matt Knight
President

From the Desk of the 1st Vice President

Hello to all! I hope all is well with each squad. Just a short reminder this time, as you all know the summer has been hot and is now winding down but the days of rescuing people goes on. Keep the folks well hydrated and be sure to have safety in mind.

When you are applying for SD-1 property the request needs to be on your Squad's letterhead and include the squads FID number. This will make the paperwork go a lot better.

The recent water class held in Etowah County had 83 people to attend the 2 day class. It was taught by John Weaver from TARS. I myself was unable to attend the class, but it was a very good class from what I was told by the people that attended the class.

Also thanks to Autauga County for putting on a great 2nd Quarterly meeting. It was great to see Smiley there. I hope to see you all soon. Please be safe out there,

Danny Butler
1st Vice President

From the Desk of the 2nd Vice President

Hello everyone. I certainly hope that you all had a safe and fun 4th of July. The year is quickly passing and I am getting excited about the thought of Conference and looking forward to a great time. I would like to thank everyone that has given me feedback on some of the classes you want to see provided and I still encourage everyone to let me know what training you feel would be beneficial to the Association. I also want to encourage everyone to come take advantage of the training opportunities that are provided. You are the reason we put these classes on and we want you to get all the benefit you can from them. I am very pleased to announce that we will have the availability of continuing medical education through patient simulation this year. This will provide the opportunity for more realistic training in a more interactive setting while satisfying many of the core objectives for National Registry. This sort of opportunity doesn't happen very often, so be sure to take it while you can. We also have in the works National Association for Search and Rescue SAR Tech III, Public Information Officer, NIMS 400, Storm Spotter, Traffic Incident Management System, and Autism Awareness for First Responders. Hopefully everyone can find something of interest in the mix and will be able to get to the beach for some great training. I hope to see you all in Escambia County.

Chad Singleton
2nd Vice President

FROM THE DESKS OF THE EXECUTIVE BOARD

2nd Quarterly Meeting
May 16 2015

Colors were presented by the Honor Guard. Opening prayer by Hoyt McCaghren.

Welcome by Lara Pate – Autauga County Rescue Squad

Special Guests:

Bill Gillespie – Mayor of Prattville

Tom Allison – Sheriff Department

Ernie Baggett – EMA Director

Trey Carter – Armed Forces Benefit Association

Darcy Harbaugh – NASDA

Meeting was called to order by President Matt Knight

Roll was called with 57 squads represented. Daphne Search and Rescue Unit and North Baldwin Sheriff's Search and Rescue were excused due to a activity in their area.

Motion to dispense with the reading of the minutes by Desoto Rescue Squad. Motion was seconded by East Colbert Rescue Squad. Motion carried.

Financial report was read by Debbie Tidwell. Motion to accept the financial report as read by East Colbert Rescue Squad. Motion was seconded by Union Rescue Squad. Motion carried.

Chauncey introduced Jamie Hollingsworth with the State Surplus Loaner Program. He advised the next dates for the loaner program are July 20 -29. If property does not work when you get it the property needs returned as soon as possible, do not wait a month or more. The property must be kept on your books. An annual report has to be submitted. If the equipment breaks down or is destroyed it needs to be reported to surplus so it can be taken off the books.

Chauncey gave the legislative report and also thanked everyone that came to Montgomery to show support for the Association.

Matt introduced Phillip Winkles – Vice President of the Alabama Association of Ambulance Service. Phillip asked that we support SB387.

Motion was made by Cherokee County Rescue Squad to accept SB 387. Motion was seconded by Anniston Rescue Squad. Motion carried.

Debbie spoke about the new forms from VFIS that must be filled out by every member. This is for the insurance that is included with membership dues. Also please remember if you filled out one of the blue cards from the Armed Forces Benefit Association you will receive a phone call.

Danny Butler presented three squads for membership:

Wilmer Fire Department – Motion by Baker Hill Rescue Squad to accept this squad in the Association. Motion was seconded by Geraldine Rescue Squad. Motion carried.

North River Rescue Squad – Motion by North Lamar Rescue Squad to accept this squad in the Association. Motion was seconded by Sartec K9 Unit. Motion carried.

Cullman Weather and Rescue – Motion by McIntosh Rescue Squad to accept this squad in the Association. Motion was seconded by North Lamar Rescue Squad. Motion carried with one squad against.

Chad Singleton spoke about the conference. Competitions will be moved to Friday afternoon.

Matt Knight thanked the Honor Guard and all the squads that went to Etowah County to attend the funeral for Vicky Ryan. Mike Bettis with Etowah County Rescue Squad thanked everyone for all of their support.

Matt spoke about the small trailer needing some touchup and the lettering redone. Peach State Ambulance will do the repairs. Coosa Valley made a motion to let Peach State Ambulance do the necessary repairs. Motion was seconded by Union Rescue Squad. Motion carried. Matt also talked about the generator that is on the trailer, it will not run at this time.

Matt spoke about the Proclamation from the Governor naming May 17-23 2015 Emergency Medical Week in the State of Alabama

Chad presented Rescuer of Quarter posthumously to Vicky Ryan – Etowah County Rescue Squad. Chad also presented Co-Rescuer of the Quarter to Etowah County Rescue Squad.

Motion to adjourn by East Colbert Rescue Squad. Motion was seconded by Union Rescue Squad. Colors were retired by the Honor Guard and the meeting was adjourned.

**ALL REQUESTS FOR AARS ASSISTANCE OUTSIDE OF YOUR COUNTY
SHOULD COME FROM THE INCIDENT COMMANDER OF THE SCENE
AND GO THROUGH A MEMBER OF THE EXECUTIVE BOARD.**

Southeastern Emergency is proud to be a supporter of AARS

King Vision® Portable Video Laryngoscope

King Vision combines the convenience of a durable, reusable video display with a disposable blade at a price that's affordable for all intubations.

Laerdal Resusci Anne® with QCPR®

The Resusci Anne QCPR is an adult CPR training manikin now improved for multiple feedback options that provide opportunity to focus on student competency.

Rescuer Disposable CPAP System

This award-winning disposable CPAP system allows you to produce 15 cm of cpap pressure at 10 lpm of oxygen. Controlled airway pressure provides rapid relief for maximum benefit.

Masimo Rad-57® for EMS/Fire

Helps first responders assess both victims and other first responders for CO exposure. SpCO may help paramedics and emergency medical technicians facilitate earlier treatment and removal of those exposed to CO in homes, hotels and places of work.

Philips FR3 Defibrillator

The HeartStart FR3 is Philips best professional-grade AED with advanced features for the professional responder. Pre-connected peel and place SMART Pads III, with no foil pouch to open, reduce deployment time. Quick Shock feature reduces the time between hands-off and shock delivery.

Pedi-Sleeve Pediatric Dosing System

Pedi-Sleeve is a set of nine colored sleeves, each with three inserts that provide standard pediatric medication dosing and equipment sizes. Sleeves reflect colors of industry-standard length-based resuscitation tapes. Pedi-Sleeve is worn on your forearm, like a quarterback wears a play guide.

Southeastern Specialty Vehicles is proud to be a supporter of AARS

- Osage Ambulances has been in business since 1983 and offers a variety of new, high-quality Type 1, 2 and 3 ambulances.
- Because consistency breeds quality, nearly two-thirds of the Osage team has more than 10 years of experience, while almost half has more than 15 years.
- Four out of five Osage customers return to purchase new ambulances.

Osage Type 1 mounted on Dodge 4500 chassis, 168" body

GX3 Remount for Piedmont Rescue

Piedmont Rescue Squad (Piedmont, AL) is a not-for-profit ambulance and rescue service providing care to the citizens of Calhoun, Cherokee, Cleburne and Etowah Counties.

REMOUNT TO SAVE 30 - 50%

Your ambulance module was built to last years after the life expectancy of its chassis. By choosing Southeastern Specialty Vehicles to remount your existing ambulance, you will save between 30 to 50 percent. That smart investment saves you thousands of dollars over buying new.

- **Ford QVM certified remount facility**—one of only six in the United States
- AMD and NTEA members
- \$5 million product liability insurance
- Certified technicians
- Quality control checklist contains 1,014 items

Rescue Technician: Cave Rescue I/II

Non-certification Class
August 20 – 23, 2015

Certification Class
August 20 – 24, 2015

Presented by the

**Huntsville Cave
Rescue Unit Inc.**

In conjunction with
Alabama Fire College

ABOUT THE COURSE

This course is designed to present the most current, specialized cave rescue techniques to those individuals, groups, agencies and others interested in or charged with the responsibility of performing high angle, cliff, pit, or cave rescue.

The course is presented in seminar form, using both classroom and field work stressing hands-on training. The instructional team will consist of HCRU Instructors.

This course meets the NFPA 1006, chapter 18 qualifications for Rescue Technician: Cave Rescue I/II

FOR MORE INFORMATION

Brian Bailey, Chairman
256.509.4785

Tommy MacPherson, Education
256.947.0745
Tommy@HCRU.org

Ed Nicholas, Chief of Operations
256.859.5550
Ed@HCRU.org

WWW.HCRU.ORG

WWW.ALABAMAFIRECOLLEGE.ORG

WHO SHOULD ATTEND

Any individual interested in developing the array of technical, medical and management skills required to conduct cave/cliff/high angle rescue. This includes personnel from cave rescue units, fire departments, rescue squads, emergency management agencies, park service personnel, first responders, and EMTs. Individuals not working for an agency are welcome and encouraged to attend.

COURSE TOPICS

This course covers all phases of cave rescue and management:

- Single rope technique
- Incident command system
- Underground environment
- Underground communications
- Cave specific medical considerations
- Response systems
- Patient packaging and movement
- Hauling/lowering systems
- Vertical rescue
- Extrication techniques
- Pre-planning and logistics

EQUIPMENT NEEDED

All necessary equipment will be furnished with the exception of personal caving and safety gear. The following is strongly recommended to allow the student the maximum participation in the course:

1. UIAA /CE-Approved helmet, with chinstrap bracket (no fire helmets)
2. Three sources of light, with main source being mounted on the helmet
3. Sturdy, lugged-sole lace-up boots
4. Rugged outdoor clothing (no turnout gear)
5. Gloves with leather palms and full fingers (work gloves are fine)
6. Soft-capped kneepads (such as volleyball type pads)
7. Personal first aid kit - we will be outdoors, make the HCRU aware of any allergies (bees, poison ivy, etc)
8. Cash for lunches (not all places accept plastic)

REGISTRATION: Alabama Fire College 1-800-241-2467

Classes will be limited to 50 students.

Non-certification course: This course is \$50.00, has no prerequisites, and is open to anyone. Please register directly with the HCRU online.

NFPA 1006 Certification course: This course is \$295.00 (in state) and \$495.00 (out of state). Certification students must register through the Alabama Fire College and meet all prerequisites:

- Rescue Technician: Rope if certified prior to April 2010.
- RT: Rope Level I and RT: Rope Level II if certified after April 2010

Certification students must purchase **ON CALL** at AFC bookstore **1-866-984-3545**

LOCATION & TIME

Thursday: Classroom Seminars

8:00am- 6:00pm: Brindlee Mtn. Fire Dept., 4434 Hwy 231, Union Grove, AL 35175

Friday: Practicals, Single Rope Technique training

8:00am - 6:00pm: Brindlee Mtn. Fire Dept.

Saturday: Hauls & Lowers, Extrication Techniques, Patient Movement

8:00am - 6:00pm - Bring lunch, water & snacks
Bluff & In-Cave Exercises (Plan to be self-sufficient)

Sunday: Student-Run Mock Rescue

8:00am - 6:00pm - Bring lunch, water & snacks
In-Cave Exercise & Evaluation (Be prepared to be In-Cave all day)

Monday: Review and Certification Test **CERTIFICATION ONLY**

8:00am- 12:30pm: Brindlee Mtn. Fire Dept.
