

The Alabama Association of Rescue Squads Presents

THE ALABAMA RESCUER

Signing ceremony for HB385 (Act 2018-524) for EMSP education tuition reimbursement.

On February 22, 2018 Clay County Rescue Squad awarded Ricky Farr, Rodney Cheaney and Jerrold Denson with a Lifetime Membership Award for their many years of dedication the community. They have all had over 30 years of service to Clay County Rescue Squad and still serve today. They are prime examples of why Clay County is known as the volunteer county.

FROM THE DESKS OF THE EXECUTIVE BOARD

From the Desk of the President

Hope everyone has had a safe Spring so far. It has been a weird one for sure. As we go into the Summer months it will get busy for us all. The 1st quarterly meeting was held in Scottsboro, AL, hosted by Scottsboro-Jackson County Rescue Squad, and I want to thank them for the meeting. It was good to see you everyone there. Thanks for the good turn out.

Just to let everybody know, our EMS education bill passed in the Senate and Governor Ivey signed it on April 20, 2018. I urge you to take advantage of this. This is the first time the AARS has ever been included. I want to thank Chauncey and Jimmy for their hard work on this bill.

I am looking forward to seeing you all down in North Baldwin for the 2nd Quarterly meeting.

The next conference will be held on the 3rd week of November, 2018 and remember it will be on the 3rd weekend for the next 3 years.

As we go into this year I want to make sure the tax money will be put to great use and given out to the deserving members of the Association.

Be sure to look at the web site, Ray Hogans has been working on an EMS cruise for the Association and the information is now available on the web site.

Danny Butler
President

February 17, 2018
1st Quarterly Meeting
Scottsboro, AL

Colors posted by Honor Guard.

Welcome by Eddie Tigie.

Special Guests: Robin Shelton – Mayor, Senator Steve Livingston, Representative Tommy Haynes, and Jay Grantland – Scenic River Trail and Mack Buel with RescueOne.

Meeting called to order by President Danny Butler. Opening Prayer by Hoyt McCaghren.

Roll was called with 59 squads represented.

Motion to dispense with the reading of the minutes by Desoto Rescue Squad. Motion was seconded by East Colbert Rescue Squad. Motion carried.

Financial report was read and motion was made to accept by Daphne SAR. Motion was seconded by North Marshall Rescue Squad. Motion carried.

Danny spoke about HB385. Danny also spoke about the EMS First Responder Day Honoring the Hero June 8th for Limestone, Madison and Morgan County at the Von Braun Civic Center at 7:00 PM.

There is an EMS cruise scheduled for April 2019.

Matt had a new squad to present, it is a specialty unit. Red Mountain Search Dog Association. Motion was made by Huntsville Cave Rescue Unit to accept. Motion was seconded by Tallaco K9. Motion carried.

There was no Rescuer of the Quarter.

Luther spoke about our membership with NASAR.

Chauncey spoke about the man tracking and boating class at conference, will need numbers by August.

With no further business to discuss a motion was made by East Colbert Rescue Squad to adjourn. Motion was seconded by Daphne SAR. Colors were retired by Honor Guard and meeting was adjourned.

Dear AARS,

My name is Hollie Wooten and I am nineteen years old. I have been volunteering since I was fourteen as a junior member of the Ider Rescue Squad. I became a full rescue squad member when I turned eighteen.

I was born and raised into a volunteer family. I have long seen the importance of putting someone else's needs before my own. Ider Rescue Squad was founded on May 21, 1965. Ever since then, members of our community have been volunteering many hours to keep our doors open.

Every year the members of Ider Rescue Squad spend hours upon hours on fundraisers to raise money for our equipment and supplies. One of the biggest fundraisers we do is making different types of homemade ice cream to sell. We have set up over twenty times to sell the ice cream this past year. The past two summers we set two goals: The first goal was to update our old ambulance which was a 1995 model to a 2009 Sprinter Ambulance; The second goal was to raise money to go into our Emma's Children Fund which helps children all over Dekalb County. Last year we were able to help a child who needed a computer for school, so he could get caught up on his school work and finish getting an education. We also helped nine children to get the Christmas they deserved. These children had no other way to receive Christmas gifts. As a squad we went and picked out toys and clothing for the needy children. We were also able to donate money to local fire departments who helped us in our endeavors. We have donated our time and our equipment to local marching bands to raise money for their equipment and instruments.

So as a member of Ider Rescue Squad, I would like to thank everyone who helped us raise money to help others in our community. We would like to let squads all over the state of Alabama know if they need our help we are just one call away. Thanks for volunteering your time to help others.

Sincerely,
Hollie Wooten

Ider Rescue squad will be hosting an open house June 9th starting at 11:00 CDT.
Location will be the Ider Rescue Squad building
20378 AL Hwy 117 Ider, AL 35981.

Everyone is invited to our open house on the date above at the address above. We will be having several things going on this day. Wheels of Time Cruisers will be putting on a car exhibit (weather permitting), so bring out your cars, trucks, motorcycles, etc. and join them. For more information call Brad Hannah at (256)605-7513.

We will have the Alabama Fire College driver simulator on site. Come test your skills as you may drive an ambulance, fire truck, or a police car in real time scenarios as you respond to scenes where help is needed. Air Evac will be flying in to our helipad, and will be here to answer any and all questions you may have about what happens in the back of an air ambulance.

We will also be hosting our first ever karaoke competition. Come out and sing with us. Show off your voice for a chance to win prizes, or just sing to be singing, either way we will have a lot of fun!!!

On top of all this Ider Rescue Squad will be selling BBQ and Chicken Finger Plates, both served with baked beans, potato salad, cole slaw and a roll. Proceeds from the plate lunches will go to Ider Rescue Squad. We will also be having a cake walk.

We thank you all from the bottom our hearts and we hope to see you there. For more info please call (256)632-2805, Check out our Facebook page, Ider Rescue Squad or www.iderrs.org.

THANKS FROM THE MEMBERS OF IDER RESCUE SQUAD

Southeastern Emergency is proud to be a supporter of AARS

King Vision® Portable Video Laryngoscope

King Vision combines the convenience of a durable, reusable video display with a disposable blade at a price that's affordable for all intubations.

Laerdal Resusci Anne® with QCPR®

The Resusci Anne QCPR is an adult CPR training manikin now improved for multiple feedback options that provide opportunity to focus on student competency.

Rescuer Disposable CPAP System

This award-winning disposable CPAP system allows you to produce 15 cm of cpap pressure at 10 lpm of oxygen. Controlled airway pressure provides rapid relief for maximum benefit.

Masimo Rad-57® for EMS/Fire

Helps first responders assess both victims and other first responders for CO exposure. SpCO may help paramedics and emergency medical technicians facilitate earlier treatment and removal of those exposed to CO in homes, hotels and places of work.

Philips FR3 Defibrillator

The HeartStart FR3 is Philips best professional-grade AED with advanced features for the professional responder. Pre-connected peel and place SMART Pads III, with no foil pouch to open, reduce deployment time. Quick Shock feature reduces the time between hands-off and shock delivery.

Pedi-Sleeve Pediatric Dosing System

Pedi-Sleeve is a set of nine colored sleeves, each with three inserts that provide standard pediatric medication dosing and equipment sizes. Sleeves reflect colors of industry-standard length-based resuscitation tapes. Pedi-Sleeve is worn on your forearm, like a quarterback wears a play guide.

For more info about these and other life-saving solutions, contact either Wayne or Kristen. They're here to help.

Southeastern Specialty Vehicles is proud to be a supporter of AARS

- Osage Ambulances has been in business since 1983 and offers a variety of new, high-quality Type 1, 2 and 3 ambulances.
- Because consistency breeds quality, nearly two-thirds of the Osage team has more than 10 years of experience, while almost half has more than 15 years.
- Four out of five Osage customers return to purchase new ambulances.

Osage Type 1 mounted on Dodge 4500 chassis, 168" body

GX3 Remount for Piedmont Rescue

Piedmont Rescue Squad (Piedmont, AL) is a not-for-profit ambulance and rescue service providing care to the citizens of Calhoun, Cherokee, Cleburne and Etowah Counties.

REMOUNT TO SAVE 30 - 50%

Your ambulance module was built to last years after the life expectancy of its chassis. By choosing Southeastern Specialty Vehicles to remount your existing ambulance, you will save between 30 to 50 percent. That smart investment saves you thousands of dollars over buying new.

- **Ford QVM certified remount facility**—one of only six in the United States
- AMD and NTEA members
- \$5 million product liability insurance
- Certified technicians
- Quality control checklist contains 1,014 items

SouthernLinc
Michael Stone

AARS now has its very own SouthernLinc managed fleet. Like the EMA fleet, we have our own talkgroups across the state for the various committees, operational functions, and even for each squad. There is a statewide talkgroup as well! I would like to encourage all squads to add SouthernLinc to their communications capabilities!

How the process works:

1st the individual squad must contact their sales rep and have a SouthernLinc account created. Once a squad has an account, they can add members to their account and they will be assigned an AARS fleet ID. The request must come from the Squad Captain to the SouthernLinc rep for the new radio ID. The SouthernLinc rep will then forward the request to me or Debbie for approval. Only AARS Members will be approved! Once this approval is given to the SouthernLinc rep, the radio ID will be activated with the proper talkgroups assigned.

The territory map and sales rep list is posted on the AARS website at the bottom of the main page for reference. If you have any questions, please contact me via email: webmaster@alars.org or by cell phone 256-755-1023.

BILLING SERVICES

At EMS Billing Services, we provide the most thorough and comprehensive claims process in the business. Billing and collections are complex processes that often involve many insurance related obstacles along the way. We know how to work with insurance companies and we won't take no for an answer. When most billing companies stop, we take your billing collections to the next level to insure you receive all of the reimbursement that is owed to you.

Services include:

- Zoll Data Collection and e-PCR software
- Customized billing and reports
- In house auditing
- Patient assistance to resolve payment issues
- Documentation review to ensure context, completeness and compliance
